

MOBILE STAGES & EVENTSOLUTIONS

Praktikus 2-in-1 Plattform

Stage and Grandstand in One

VERSATILE. LIGHTWEIGHT. BUILT TO PERFORM.

The **Praktikus 2-in-1 platform** combines two applications in a single solution: it functions both as a professional stage platform and as a modular base for mobile grandstands – without the need for conversion or additional components.

With its newly designed corner angel, the platform supports a wide range of leg systems – from square legs (45 x 45 mm to 60 x 60 mm) to round tubes. Justo legs can also be inserted effortlessly. Weighing just 34 kg (100 x 200 cm), the platform is easy to handle, transport, and store – while still delivering **an impressive load capacity of 1000 kg/m²**.

A key advantage: **it can be installed up to 200 cm in height without the need for extra bracing** – saving time, equipment, and setup effort.

Details & Technische Spezifikationen

TECHNICAL SPECIFICATIONS – PRAKTIKUS 2-IN-1 PLATFORM

- **Standard size:** 100 x 200 cm
- **Additional sizes:** 100 x 100 cm, 150 x 100 cm, 200 x 50 cm, 100 x 50 cm, custom sizes on request
- **Surface:** 12 mm hexagon-patterned anti-slip plywood board, phenolic coated, darkbrown
- **Weight:** approx. 34 kg
- **Loading capacity:** 1000 kg/m² (tested in accordance with DIN EN 17736)
- **Maximum setup height:** Up to 200 cm without bracing (in accordance with DIN EN 13814) Up to 1.66 m when constructing a stage platform for actors/ trained staff (750 kg/m² loading capacity)
- **Stacking height:** 9.3 cm
- **Leg compatibility:** Square legs 45 x 45 mm to 60 x 60 mm, Justo legs, round legs Ø 48–50 mm
- **System compatibility:** Fully compatible with Mott platforms such as Praktikus 750, Praktikus Light, etc.
- **Included accessories:** X-connectors included as standard

WHY CHOOSE THE PRAKTIKUS 2-IN-1 PLATFORM?

- **Dual-use design:** Suitable for both stage and grandstand setups
- **Universal leg connection:** Fits multiple leg types – no adapters needed
- **Lightweight yet robust:** Only 34 kg with high structural performance
- **Quick assembly:** Up to 200 cm height without extra bracing
- **Modular integration:** Seamlessly fits into existing Mott systems of Praktikus
- **Efficient storage:** Low stacking height of just 9.3 cm
- **Flexible sizes:** Standard formats plus custom dimensions available on request

Your All-in-One Platform Solution.

Designed for professionals who need flexibility, speed, and reliability. The Praktikus 2-in-1 platform is your go-to choice for efficient stage and grandstand construction – made for daily use, engineered to last.

One platform. Endless possibilities.
